We Invite You to Support the MPPEF'S 10th Anniversary Starlight Gala on March 5, 2016

The Midland Park Public Education Foundation (MPPEF) in Midland Park, New Jersey remains steadfast in its commitment to bring innovative, sustainable programs designed to enhance academic quality to our teachers and our children. Public education funding only goes so far. Through partnerships and private donations, the MPPEF supplements public funds our school district receives to help raise the bar for academic excellence in Midland Park.

Since this is our 10th Anniversary, we are starting to solicit donations early in hopes that this year's event will be our most successful one yet! We hope that you will support us!

All proceeds from the 2016 Starlight Gala, which is expected to draw approximately 350 people, will go toward the funding of teacher generated classroom grants, district-wide grants and scholarships benefitting all of our schools.

Please consider donating a gift certificate, merchandise and, or tickets to be showcased in our silent auction or basket raffle. As a contributor, your organization will be displayed alongside your donation, listed in the event program and featured on our organization's web site.

With your help, this event is guaranteed to be a huge success! Please respond to this letter by **February 20, 2016**. All letters, donations, and questions should be directed to:
